Pharmavite Reference: 1402P30AA

Dear Sir or Madam:

Pursuant to Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act and Section 101.93 of FDA's regulations, we hereby notify you that we are using the following statement(s):

- (1) Name and address of manufacturer:
Pharmavite LLC, PO Box 9606, Mission Hills, CA 91346
- (2) Text of the statement(s):
Complete Multi for Diet Support.

Replenish Nutrients Lost while Dieting.

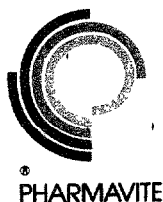

Replenish depleted nutrients.
Increase your body's metabolic rate.
Help convert food to fuel.

Diet Wise's Metabolism Blend was created specifically to address the needs of a low-carb or low calorie dieter to maximize their weight management program.

Chromium Picolinate is a special form of the chromium mineral that helps your body metabolize carbohydrates as well as increase energy and promote weight control.

EGCG is found in Green Tea Extract and contributes to increasing the body's metabolic rate. This natural antioxidant also has thermogenic properties to help the body burn calories.

High levels of essential B vitamins, including thiamin, riboflavin, niacin, Vitamin B6, folic acid, Vitamin B12, and panthothenic acid, utilize fats and carbohydrates to produce energy.

Diet Wise helps you control your weight by providing the key nutrients needed when following a low carb or low calorie nutrition plan. Our unique Metabolism Blend helps the body metabolize carbohydrates and fats while providing energy that is often lacking when dieting.

Powerful antioxidants such as Vitamins A, C and E are vital to optimally support your immune system and maintain heart health. Along with proper nutrition and exercise, Nature made Diet Wise is a powerful complement to your weight management program.

- (3) Name of the dietary ingredient(s) if not provided in the text of the statement:

Vitamin A (Beta Carotene)
Vitamin C (Ascorbic Acid)
Vitamin D
Vitamin E (dl-Alpha Tocopheryl Acetate)
